COPYRIGHT WARNING

This book is copyrighted under the Intellectual and Artistic Works Act 5846 (FSEK) and the Copyright, Designs and Patents Act 1988 (CDPA) in the United Kingdom. According to these laws, unauthorized reproduction, distribution or sharing of the book is strictly prohibited and may result in serious criminal penalties.

According to FSEK in Turkey, people who reproduce, distribute or share this book without permission may be sentenced to imprisonment from 3 to 6 years. Additionally, a judicial fine ranging from 50,000 TL to 150,000 TL is imposed. If the crime is committed using information systems, the penalty to be imposed is increased by half. In this case, the prison sentence may increase from 4 years, 6 months to 9 years and the judicial fine may increase from 75,000 TL to 225,000 TL.

However, the author or publishing house, which is the legal owner of the book, has the right to demand compensation up to 3 times the damage they have suffered. This means that copyright infringers may have to pay significant amounts of monetary damages, regardless of criminal prosecution.

In the United Kingdom, the situation is even more serious. Under the CDPA, copyright infringers can be sentenced to up to 10 years in prison and an unlimited fine. These fines can reach hundreds of thousands of British pounds, depending on the value of the work infringed, the extent of the infringement and the profits made.

For example, a person who shares the book online without permission could be fined up to £50,000 and imprisoned for up to 6 years in the UK. In Turkey, a judicial fine of up to 100,000 TL and a prison sentence of up to 5 years may be imposed for the same crime.

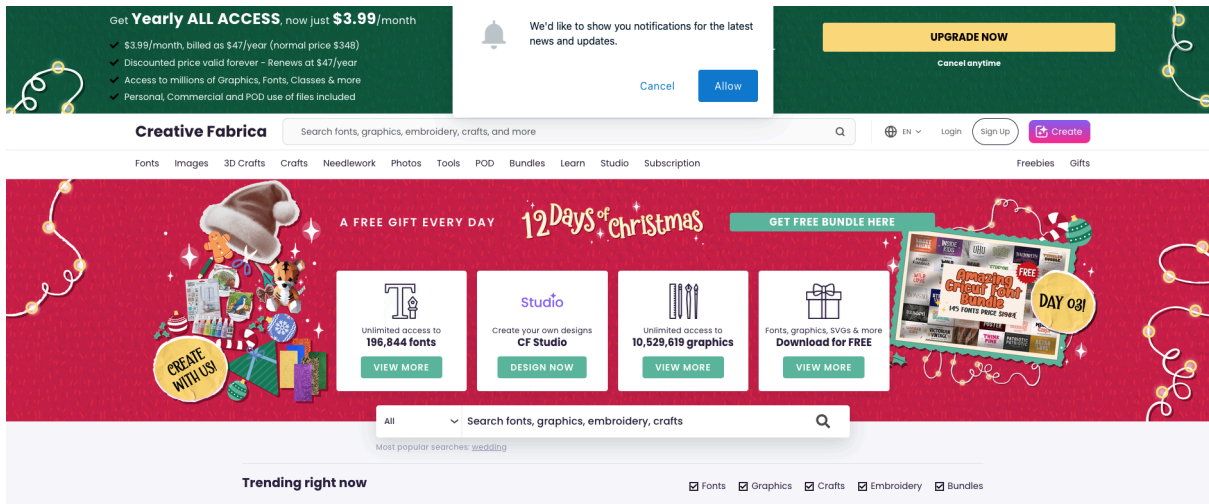

Considering all these heavy sanctions, reproducing, distributing or sharing this book without permission is an extremely risky and dangerous behavior. Please respect copyright and obtain the book legally. Otherwise, you may face criminal and legal consequences that can ruin your life.

Mar 15, 2022 - Oct 15, 2024

I created my Amazon KDP account on March 15, 2022. In the first month (March) I could not make any sales. When I first started, I was mostly producing notebooks. I also produced a few very simple books. I don't know the exact number, but I probably produced about 10 books and notebooks in March. And finally, I made my first sales in April. In April 2022, I sold 27 books and earned \$61.

WHAT IS KDP?

KDP stands for Kindle Direct Publishing, a platform provided by Amazon that allows people to ship their books to Kindle readers and diverse audiences globally. KDP has innovated the way authors distribute their works, making the publishing procedure more accessible, simpler and cost-effective than traditional publishing strategies.

NEW! Total KDP KU Author Earnings for July are \$58.9 Million. [Learn more](#)

WHEN WILL I RECEIVE MY FIRST PAYMENT?

Your earnings are paid out each month approximately 60 days after the end of the month in which the sale is reported. So, for example, if you made your first sale in January, you will receive your payment at the end of March.

Month royalty threshold met	When you'll receive royalty payment
January	End of March
February	End of April
March	End of May
April	End of June
May	End of July
June	End of August
July	End of September
August	End of October
September	End of November
October	End of December
November	End of January
December	End of February

WHAT IS LOW CONTENT? WHAT IS HIGH CONTENT?

Amazon KDP is a platform where both low-content and high-content books can be published. There are different rules for low-content books in the KDP publishing process. Therefore, it is extremely important to know the difference. Additionally, this difference can directly affect your income.

What is Low Content?

A low content book is a type of book in which most of the content is arranged as blank or semi-blank pages, pages that users must fill in or interact with themselves, such as scrapbooks, diaries, agendas, planners, puzzle books. These books usually contain little or no written content.

Low-Content	Not Generally Low-Content
Notebooks	Novels
Planners	Nonfiction
Diaries/Journals	Puzzle books
Prompt journals	Coloring books
Log books (i.e., tracking habits, activity, thankfulness)	Photography
Coupon books	Sheet music
Score card templates	Manuals
Crafting templates (i.e., scrapbook paper, ephemera books, etc.)	Textbooks
Blank sheet music (also known as manuscript or staff paper)	Children's books

What is High Content?

High content books are books that contain dense and in-depth information and offer detailed texts, analyses, research or comprehensive explanations. Such books usually cover specific and knowledge-intensive topics, such as academic studies, comprehensive research reports, detailed tutorials or technical manuals. These books take more time to prepare than low-content books. Therefore, it is a more detailed content.

Features

- **Detailed Information Presentation:** These books cover their subjects in great depth and provide a wide range of information.
- **Comprehensive Research:** It is based on extensive research and data collection by the authors.
- **Academic and Technical Content:** It contains terms, theories, and methodologies mostly used in academic or technical disciplines.
- **Bibliography and References:** Contains an extensive literature review or reference list, allowing readers to learn more about the topic.
- **Requires Expertise:** It specifically addresses issues that require in-depth knowledge and expertise in a particular field.
- **Professional and Academic Use:** It is frequently used by academics, researchers and professionals.

WHAT IS BSR (BEST SELLERS RANK) AND WHY IS IT IMPORTANT?

BSR (Best Sellers Rank) is a term used to provide information about a book's sales rank on the Amazon site. A lower BSR number indicates higher sales.

Although it is not known for certain how often Amazon updates the BSR, it is thought that the BSR is updated hourly. This means that if a book sells out, its ranking can change quickly. However, this frequency has not been officially announced by Amazon.

ON WHAT SUBJECTS IS IT ILLEGAL TO WRITE A BOOK?

Some book genres and topics on the Amazon Kindle Direct Publishing (KDP) platform may be less profitable than others due to general market dynamics or specific audience preferences. There may be several reasons for this: saturated markets, low demand, restrictions due to copyrights or incompatibility with current trends, etc.

Essential ActionScript 2.0 

by **Colin Mook** (Author)
4.2 ★★★★★ 55 ratings [See all formats and editions](#)

In September 2003, Macromedia released Flash MX 2004, and with it, ActionScript 2.0, a dramatically improved version of Flash's programming language. ActionScript 2.0 introduces a formal object-oriented programming syntax and methodology for creating Flash applications. From a developer's perspective, the new OOP-based techniques in ActionScript 2.0 make applications more natural to plan and conceptualize, more stable, more reusable across projects, easier to maintain, change, and expand upon, and much more. In short, they enhance the entire development process. In *Essential ActionScript 2.0*, bestselling author Colin Mook—one of the most universally respected developers in the Flash community—covers everything you'll need to know about the new ActionScript language and its methodologies for producing movies, animation, and applications on the web. Mook guides readers through this important new territory with his trademark easy-to-understand style and expertise. Mook's goal throughout the book is not just to get you to use object-oriented programming in your daily Flash work: he wants you to reap the benefits of OOP; he wants you to understand ActionScript 2.0 completely. And without question, Mook is the author who can make this happen. *Essential ActionScript 2.0* begins with a tour of the language, including the fundamentals of object-oriented concepts, syntax, and usage. Those who are new to OOP will learn the basics and how to apply their understanding. Those who are familiar with OOP will leverage their prior

BOOK PREPARATION - CANVA

While preparing a book, we can get help from various programs and sites, and in this way, we can prepare our book in an easier and more practical way. Generally, you can read the book in the easiest way possible. [Canva site](https://www.canva.com) We will prepare it thanks to you. Also for creating professional books [to premium version](#). You can also take a look.

website: <https://www.canva.com>

Canva is an online graphic design platform founded in Sydney, Australia, in 2012 by Melanie Perkins, Cliff Obrecht and Cameron Adams. Users have the opportunity to create professional-looking designs through the platform's user-friendly interface.

Thanks to this platform, it is possible to produce many different visual content such as social media posts, presentations, posters, invitations, infographics, logos, books. Canva offers both free and paid plans and has an extensive library of millions of stock photos, illustrations, shapes and icons.

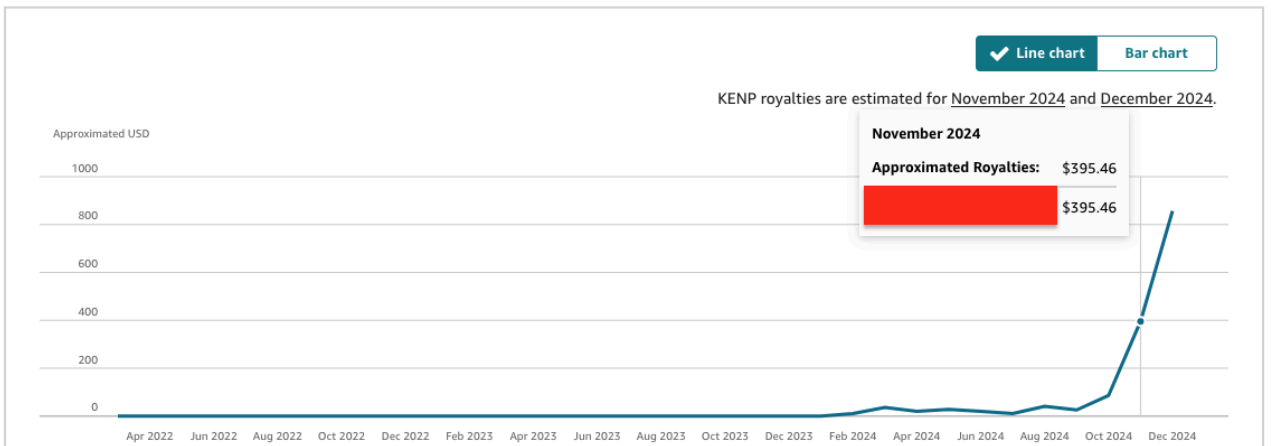

WHY IS RUNNING LONG-TERM ADVERTISING IMPORTANT?

Sometimes when we run an ad, we don't see the effect immediately. We need more time for this. In some cases, especially in the first few months, our advertising campaign may cause us to lose money. However, there is always a possibility that we can turn this situation into a profit thanks to certain regulations and ranking increases (BSR).

WHAT IS A+ CONTENT AND WHY IS IT IMPORTANT?

A+ Content is a special type of content you can use to make your book sales pages more attractive and informative on the Amazon KDP (Kindle Direct Publishing) platform. Simply put, with A+ Content, you can add richer images, detailed descriptions and special edits to promote your book. This feature allows readers to learn more about your book and can positively influence their purchasing decisions.

WHAT DO BESTSELLERS DO RIGHT?

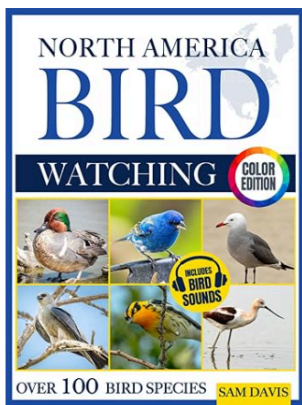

Books that achieve high sales numbers are much more successful than other books on some subjects. There are various tips on this subject. First of all, it is necessary to choose a topic that is interesting and suitable for the target audience. Additionally, an impressive cover design, an eye-catching title and keyword optimization are critical to positively impact sales.

THE IMPORTANCE OF BOOK TITLE AND DESCRIPTION

The title and description you give your book on Amazon KDP are extremely critical because they are vital to attracting potential readers and conveying the content effectively. A correctly chosen book title can immediately get you noticed and arouse curiosity about the subject of your book. The description is a tool that adds value to your book and encourages readers to buy it.

A DIFFERENT THOUGHT - A FEW THOUSAND DOLLARS PER MONTH WITH ONE BOOK

Normally, there is a belief that we need to produce a large number of books in order to earn very high profits. Especially if we are newbies at Amazon KDP, there is always a perception that we need to produce hundreds of books. But we don't need this. You can earn thousands of dollars with just one book. The book must be perfect in every aspect, all research related to the book must be done, keywords, advertisements, etc. analyzes must be carried out in detail.

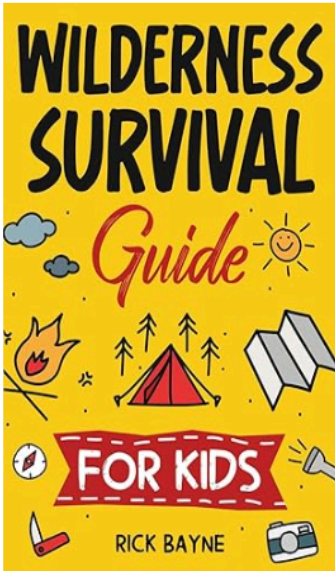

Wilderness Survival Guide for Kids - (5000 dolar)

Survival Skills For The Outdoors!

In this book, children will learn basic techniques for navigating dangerous situations in the wilderness.

Being a kid isn't always easy, and you know that firsthand. But unfortunately, life throws its fair share of obstacles at people of all ages, including children like yourself, who need to know how to handle these challenging situations as efficiently as possible.

As each day passes, you grow a bit older and become even wiser than you were the day before, learning from the different experiences you have each day and using them to help you get by in life. However, there is still so much more for you to learn, and **Wilderness Survival Guide for Kids** is here to help you with that.

But, with so much to learn, where are you supposed to start from?

A simple online search on survival techniques can leave you with more information than you know what to do with, causing frustration. Too much information from various sources can easily make it difficult for you to weed out any misinformation you might come across. With **Wilderness Survival Guide for Kids**, you will have quick and easy access to the most valuable, in-depth information compiled to help keep you safe and protected during emergencies.

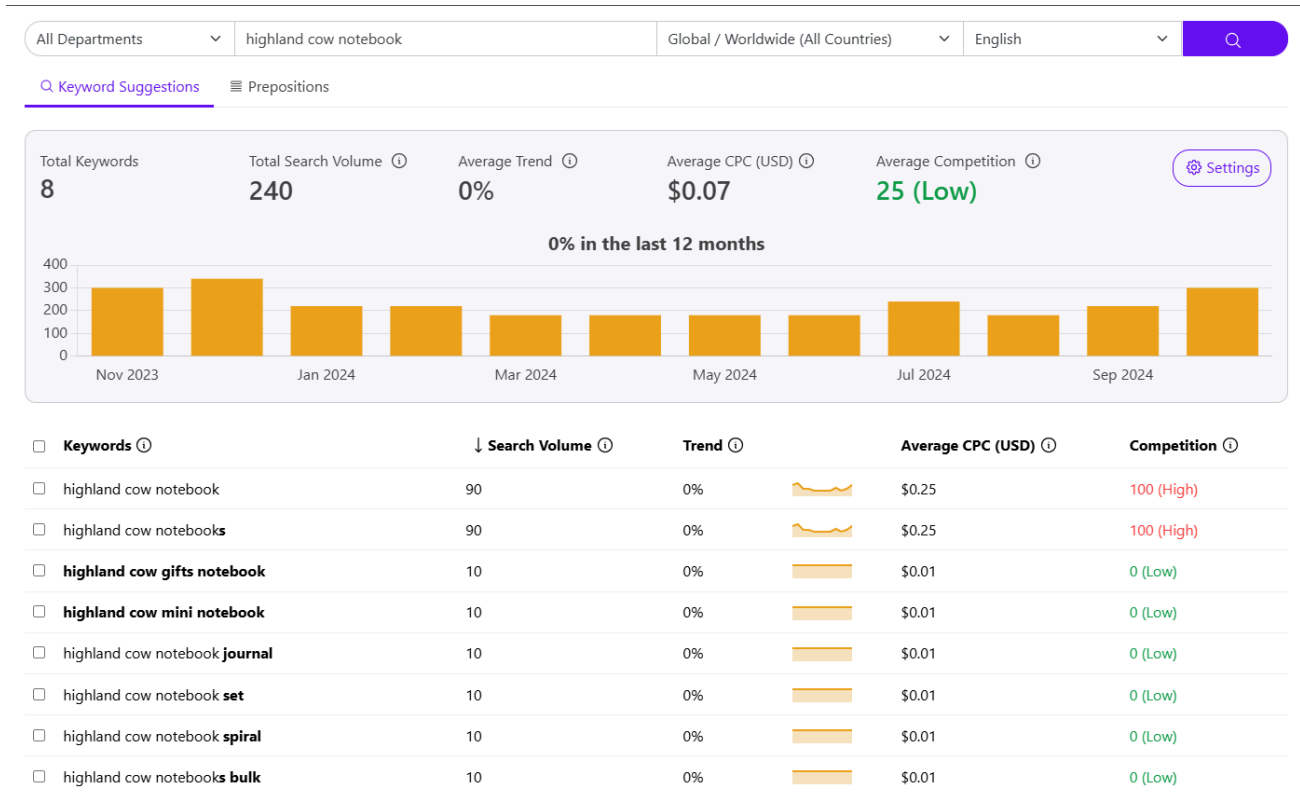

website of the book:

<https://www.amazon.com/Wilderness-Survival-Guide-Kids-Everything/dp/1957590246>

As can be seen, this book sells 930 copies monthly. Approximately 30-31 copies of this book are sold daily.

CHOOSING THE RIGHT KEYWORDS

When publishing a book on the Amazon KDP (Kindle Direct Publishing) platform, choosing the right keywords plays a critical role in helping your book reach your target audience. Keywords are a powerful tool to help potential readers discover your book and increase your sales.

Keywords

Choose up to 7 keywords highlighting your book's unique traits. Keywords are typically short phrases, up to 50 characters, that customers use to narrow their book search on Amazon. Example: medieval fantasy books. [How do I choose keywords?](#)

Your Keywords (Optional)

KDP ALTERNATIVES

Amazon KDP is number one in the industry in this regard, but there are other alternatives. In order to diversify your income sources, you may consider publishing books on other platforms. Additionally, there are some advantages offered by each platform. Factors such as ease of use, promotional tools and readership are some of these advantages.
